Subject: Invitation to participate in the evaluation of the Healthy University Rating System (HURS) 2023

Dear President of Ramkhamhaeng University,

Warm greetings from the ASEAN University Network – Health Promotion Network Secretariat (AUN-HPN) and Mahidol University.

Healthy University Rating System (HURS) was presented and approved by the 12th ASEAN University Network Rectors' Meeting on July 9, 2021. It is a tool used to track and assess the progress and success of a health promoting university which was developed based on the AUN Healthy University Framework (HUF). It would assist, maintain and improve health and well-being for a higher quality of life among individuals within the university, near-by communities and the whole society. The first version of HURS system was officially launched for the AUN-HPN network in 2021 and **the latest version of HURS 2023 will be launched for assessment during August 15 – November 16, 2023.**

In this regard, it is my honor to invite you as a member of Council of University President of Thailand (CUPT) to participate in the evaluation of the Healthy University Rating System (HURS) 2023. **The registration period is open now and will remain so until October 31, 2023.** Please nominate 2 representatives from your university to be the Data Entry and Data Approver for the HURS. The application form and HURS Manuals can be accessed via the QR Code below for your kind reference.

Your contribution and participation in this evaluation would be greatly appreciated. If you have any questions or need additional information, please do not hesitate to contact the AUN-HPN Secretariat at aunhpn@mahidol.ac.th

We are looking forward to hearing from you at your earliest convenience.
